

APPLIQUE - DANCING SNOW FOLK

LAZY SECRET #9

FROM LAZY GIRL DESIGNS & JUST ANOTHER BUTTON COMPANY

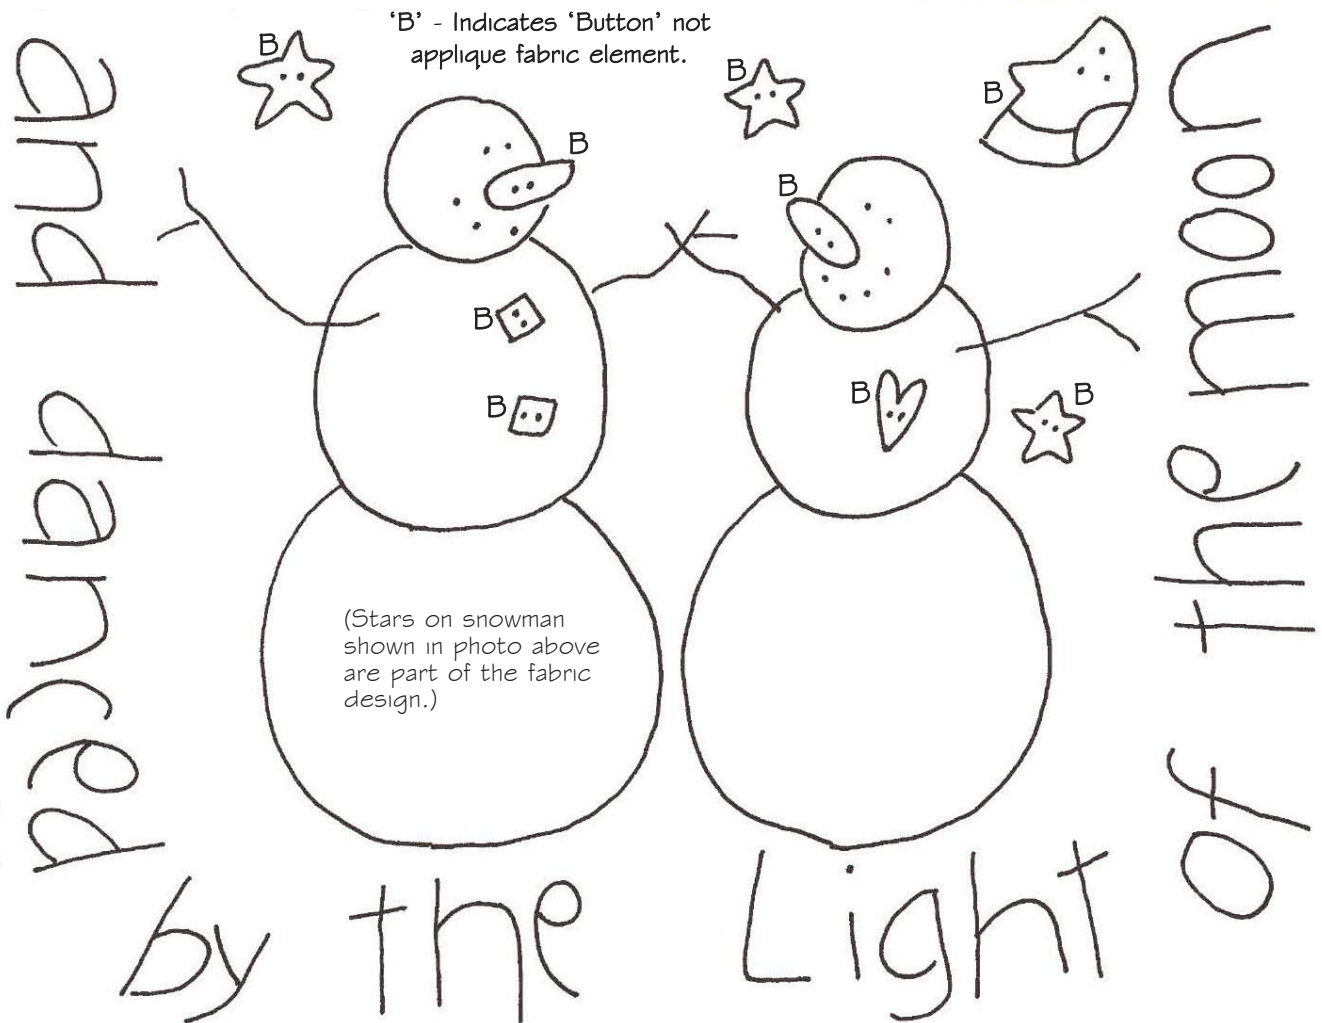

This beautiful button and applique idea comes from Just Another Button Company (JABC). Handmade polymer clay buttons from JABC add a three-dimensional charm to your project. Here, we are showing JABC's design on our Sassy Bag #108. This project assumes that you know basic sewing and fusible applique skills. Use button pack #7131 from JABC and construct with cottons, wools or contact JABC for a cross stitch version of this design. Button pack #7131 is only available in the colors shown. For best results, buy buttons then choose fabrics.

How-To: Construct the Sassy Bag according to the pattern directions up to 'Step #6 - Cover Flap'. At Step 6, fold the flap right sides together and press. Also make the slit where noted for turning later in this step. Transfer the full-sized (approx. 7" x 5 1/2") illustration shown below to the right side of one half of the flap fabric. Fabric fold is above the applique. Complete the applique using fabric and fusible web. Use a satin stitch to make the letters. Stitch around the applique pieces with a buttonhole or blanket stitch by machine or hand. Press your flap to set the stitches before adding buttons. Use a small needle such as a size 8 quilting 'between' to sew the buttons on by hand. Sew the Velcro on through the other half of the flap and batting only, then finish the flap and the rest of the bag as per the pattern.

NOTE:
Consider using this design on the cover or pockets of our other designs. Enlarge or reduce to fit if needed.

Button Pack #7131: 2 Small Squares, 2 Carrot Noses, 3 Stars, 1 Heart, and 1 Moon.

'B' - Indicates 'Button' not applique fabric element.
