International Quilt Market is a wholesale show for retailers to shop for quilting supplies and fabrics. Market features more than 1,000 booths, selling creativity as much as selling product. Market also features dozens of business seminars and how-to classes.

Checker Distributors is sponsoring several of these classes and schoolhouses before Market officially opens as well as demonstrations at our booth during the entire event. Authors and designers such as Rachel Cross; Kathy Brown; Rita Fishel; Karla Alexander; Susan Knapp & Mary Jane Mattingly; Kim Templin; Anna Maria Horner and Penny Haren will be demonstrating in our booth.
